

June 2017

Dear Parents,

With God's blessings, we have reached the end of another school year. It certainly has been an exciting year here at Saint Gabriel School.

Our technology initiatives such as Achieve 3000, Moby Max, Achieve the Core, and on going research has greatly enhanced our academic instruction. We are looking forward to introducing Pearson Learning, Google Classrooms, and Blended Learning for the 2017-2018 School Year. We were thrilled to start our Student Council and Chess Club in addition to Basketball, Forensics, Journalism, and Scouts. Next Year we hope to add Cyber Coding and Drama to our variety of extracurricular activities.

-The Superintendent of Schools has not yet finalized the 2017-2018 Calendar. However, here are some important dates for your awareness:
